VETERAN'S PREFERENCE

If a veteran possesses the qualifications necessary to discharge the duties of the position involved, the veteran shall receive preference for employment and promotion. For the purposes of this policy, the term "veteran" means any person who:

- (1) has served the full obligation for active duty, reserve, or National Guard service in the military, or received an early discharge for a medical condition, hardship, reduction in force, or at the convenience of the military; and
- (2) has been separated or discharged from such service honorably or under honorable conditions.

In order to determine if the veterans' preference applies, each applicant for employment shall complete an employment application on which the applicant is asked if the applicant is a veteran. All veterans are subject to criminal background check requirements as set forth in state law.

Age, loss of limb, or other physical impairment which does not in fact incapacitate does not disqualify the veteran. A veteran who has a service-connected disability shall be given a preference over a nondisabled veteran.

The unmarried spouse of a veteran who died while in service, or later died from a service connected cause, is entitled to the preferences given to the veteran if the spouse possesses the qualifications and business capacity necessary to discharge the duties of the position involved. If a veteran disabled due to a service connected cause is unable to exercise the right to a veteran employment preference due to the disability, the veteran's spouse is entitled to the preferences given to the veteran if the spouse possesses the qualifications and business capacity necessary to discharge the duties of the position involved.

If a veteran applies for appointment for employment under this policy, the Cooperative shall, before employing anyone to fill the position, investigate the qualifications of the applicant. If the applicant possesses at least the minimum qualifications necessary to fill the position, the officer, board, or person shall interview the applicant. However, nothing within this policy requires the school Cooperative to hire a veteran interviewed. At the conclusion of the hiring procedure and protocol, should a veteran and nonveteran be equally qualified for the position the veteran shall be granted veteran's preference and shall be offered employment in the position.

A veteran may be removed for incompetency or misconduct shown after a hearing, upon due notice, upon stated charges, and with the right of the employee or appointee to a review pursuant to law.

STAFF COMPLAINTS AND GRIEVANCES

The Board will encourage the administration to develop effective means for resolving differences that may arise among employees and between employees and administrators; reduce potential areas of grievances and establish and maintain recognized channels of communication between the staff, administration, and the Board.

Grievance procedures should provide for prompt and equitable adjustment of differences at the lowest possible administrative level, and each employee should be assured opportunity for an orderly presentation and review of complains and concerns. Channels established will provided for the following:

1. That teachers and other employees may appeal a ruling of a principal or other administrator to the Director.
2. That all cooperative employees may appeal a ruling of the Director to the Board.

The procedures established for the resolution of grievances in agreements negotiated with recognized employee bargaining units will apply only to "grievances" as defined in the particular agreement.

STAFF COMPLAINTS AND GRIEVANCES PROCEDURE

A. Definitions:

1. A "grievance" is a complaint by a teacher or a group of teachers based upon an unresolved employer/employee dispute or an alleged violation, misinterpretation, or inequitable application of any existing policies, rules, or regulations of the school Cooperative as they apply to conditions of employment or of any of the provisions of this agreement or of any laws of the state of South Dakota which apply to education. The absence of, or disagreement with, existing policy, rules, or regulations is not a "grievance" and is subject to annual negotiation under the negotiations policy.
- 2.
3. An "aggrieved person" is any employeemaking the complaint.
4. A "party in interest" is the aggrieved person and any person or persons who might be required to take action or against whom action might be taken in order to resolve the grievance.
5. "Days" shall mean calendar days unless otherwise designated.
"Association" shall mean the recognized employee group through the Core Educational Cooperative group.
7. "Board" shall mean the Board of Education of the Core Educational Cooperative #11202, Platte, South Dakota

B. Purpose:

The purpose of this procedure is to secure, at the lowest possible level, equitable resolution of grievances, and to protect the rights of all parties' interests.

C. Time Limits:

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum, and every effort made to expedite the process. The time limits specified may, however, be extended by mutual agreement in writing.
2. In the event a grievance is filed at such time that it cannot be processed through all the steps of this grievance procedure by the end of the school year, the time limits set forth herein will be reduced so that the grievance procedure may be completed prior to the end of the school year or as soon thereafter as it is practicable.
3. It is required that a teacher file a grievance beginning with the informal procedures within thirty (30) days after the alleged violation(s) or within thirty (30) days of when the teacher knew or should have known of the alleged violation.

D. Procedures:

1. Informal

Any aggrieved person shall as an individual, or with representative of the Association, discuss the matter informally with the immediately involved supervisor or Director, provided that the resolution is not inconsistent with terms of the Master Agreements. The supervisor or Director shall within ten (10) calendar days respond to the aggrieved person in writing as to the nature of the grievance and its resolution.

2. Formal

Level I: Supervisor/Director

If an aggrieved person is not satisfied with the informal disposition of his/her grievance, he/she shall file his/her grievance in writing with the immediately involved supervisor/principal within ten (10) days. The immediately involved supervisor/principal shall arrange a meeting with the aggrieved person and the Association's designated representative(s) to take place within ten (10) calendar days after the grievance has been filed. At this meeting, the aggrieved person can bring a staff representative or an Association representative. Within ten (10) calendar days after the meeting, the supervisor/director shall render a decision in writing to the aggrieved person.

Level II: President of Board of Cooperative

If the grievance is not resolved at Level I, or if no written decision has been rendered within fifteen (15) calendar days after presentation of the grievance, the aggrieved person may file the grievance in writing with the President of Board of the Cooperative, within ten (10) days after the decision at Level I or twenty (20) days after the grievance was presented, whichever is sooner. The Director of schools shall arrange a meeting with the aggrieved person within ten (10) calendar days after the grievance have been filed. At this meeting, the aggrieved person can bring a staff representative or an Association representative. Within ten (10) days after said meeting, the Director of schools shall render his/her decision in writing to the aggrieved person.

Level III: Arbitration

If the aggrieved person is not satisfied with the disposition of the grievance at the Level II, or if no written decision has been rendered within the time period set forth in the preceding paragraph, the grievant may within thirty (30) calendar days after the receipt of the written decision is due, whichever is earlier, appeal to the Department of Labor, pursuant to Statute. The inclusion of this paragraph in the grievance procedure shall not constitute a waiver by either party of its rights to dispute the authority of the Department of Labor to hear the appeal and/or render any particular decision.

E. Rights of Teachers to Representation:

1. Any party or parties in interest may be represented at all stages of the grievance procedure by him/herself, his/her representative, or, at his/her option, by a representative(s) selected or approved by the Association.
2. No reprisals of any kind shall be taken by the Board or its representatives against any party in interest, the Association or its members, or any other participant in the grievance procedure by reason of such participation.

1. If, in the judgment of the Association, a grievance affects a group or class of teachers, the Association may submit such grievance in writing to the Director of schools directly, and processing of such grievance shall be commenced at Level II.
2. Decisions rendered at all levels of the formal grievance procedure shall be in writing, setting forth the decision and its rationale. (All grievance forms are located in the Appendix)
3. All documents, communications, and records dealing with the processing of the grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

FILE: GBM-R (Page 3 of 10)

4. Forms for filing grievances, serving notices, making appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Director of schools and the Association with School Board approval. All of the above listed items will be properly distributed so as to facilitate the operations of the grievance procedure.
5. Meetings and hearings under this procedure shall include only the parties in interest, their designated or selected representative(s), witnesses, others designated by a party in interest, and Association representatives. No meetings or hearings under this procedure shall be conducted in public.

6. When it is necessary for an aggrieved person and/or his/her representative(s) to attend a meeting or a hearing called during the school day, the Director shall notify the appropriate school district administration. The aggrieved person and his/her representative(s) shall be released without loss of pay for such time, as their attendance is required at such a meeting or hearing.
7. The Board agrees to make available to the aggrieved person or his/her designee all pertinent information, which is relevant to the issue, raised by the grievance.
8. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

These days will be paid back to the cooperative at a rate of 1/200 of a salary base of \$40,000 or \$200 a day. The director will submit these requests, along with his/her recommendation, for Board approval.

In situations involving both the Americans with Disabilities Act (ADA) and FMLA, the Cooperative shall apply the law affording the employee the greater benefit.

12 MONTH PERIOD

Standard FMLA Leave: The FMLA entitles eligible employees who work for covered employers to take unpaid, job-protected leave in a defined 12-month period for specified family and medical reasons.

Core Education Cooperative has established the 12-month period to be measured forward from the first date an employee takes FMLA leave. The next 12-month period would begin the first time FMLA leave is taken after completion of the prior 12-month period.

RESTRICTIONS

To the extent that an employee is entitled to any paid leave, such leave shall be taken and it shall run concurrently with family and medical leave, except that the employee may request to reserve ten (10) days of sick leave. (This requirement shall not apply to employees taking workers' compensation leave.) However, when an employee's work-related injury/medical state qualifies as a serious health condition, worker's compensation leave shall run concurrently with the twelve (12) work week entitlement.

Paid leave used by the employee as required under this policy shall count, as applicable, against the twelve (12) or twenty-six (26) FMLA workweek entitlement.

Entitlement to family and medical leave for the birth and care of a newborn child or placement of a child shall expire twelve (12) months after the date of such birth or placement.

When both husband and wife are employed by the Cooperative, the combined amount of family and medical leave for reasons other than personal illness or illness of a child shall be limited to twelve (12) workweeks. In cases of personal illness or illness of a child, each spouse is entitled to twelve (12) workweeks of family and medical leave.

Exception: The limit on the combined amount of family and medical leave shall be twenty-six (26) workweeks when both an eligible husband and wife are employed by the Cooperative and are eligible for leave that involves a covered Armed Forces service member.

Depending on the date family and medical leave is to begin, instructional employees as designated by federal regulation may be required to continue on leave until the end of the school term to avoid disruption.

Unused family and medical leave shall not accumulate from year to year.

INTERMITTENT LEAVE / REDUCED HOURS

Family and medical leave may be taken intermittently (when medically necessary) or on a reduced hours basis.

CONTINUATION OF BENEFITS

While on family and medical leave, employees shall be entitled to all employment benefits accrued prior to the date on which the leave commenced. Health insurance for an employee on family and medical leave shall continue to be provided by the cooperative on the same basis had the employee not taken leave. Other employment benefits and seniority shall not accrue during unpaid family and medical leave.

RETURN TO WORK

As noted by the required notice of eligibility and rights and responsibilities when family and medical leave is taken due to an employee's own serious health condition, the employee shall provide fitness-for-duty certification before returning to work. This may include certification by the health care provider that the employee is able to perform essential functions specific to the job, as noted by the Cooperative in a list attached to the certification form.

Upon return to work, the employee shall be entitled to his/her same position (or an equivalent position with equivalent pay) with corresponding benefits and other terms and conditions of employment.

FAILURE TO RETURN TO WORK

Any employee who fails to return to work as scheduled after FMLA leave or exceeds the 12-week FMLA entitlement (or in the case of military caregiver leave, the 26-week FMLA entitlement), may be subject to termination of employment if the employee has no other leave available to him/her. Likewise, following the conclusion of the FMLA leave, the cooperative's obligation to maintain the employee's group health plan benefits ends (subject to any applicable COBRA rights).

NOTICE

The Cooperative shall notify employees of family and medical leave provisions by posting appropriate notices in conspicuous places in the Central Office and each worksite and distributing notices as required by law.

PROFESSIONAL STAFF HIRING

All professional staff members of the Cooperative will be employed by the Board upon the recommendation of the Director. Should a person recommended by the Director be rejected by the Board, it will be the Director's duty to make another recommendation.

All persons recommended for employment must meet state certification requirements and the qualifications established for the particular position.

Interviewing and selection procedures will assure that the supervisor or other administrator who will be directly responsible for the work of the staff member has an opportunity to participate in the selection of the person to be recommended; however, the final recommendation to the Board will be made by the Director.

All candidates will be considered on the basis of their merits, qualifications, and the needs of the Cooperative. In each instance, the Director and others playing a role in the selection will seek to hire the best-qualified person for the job.

Upon approval by the Board, a staff member will receive a written contract to be signed by the staff member, Board president, and cooperative business manager.

The Cooperative may offer and, upon the signing of a contract by both parties, pay a signing bonus, moving expenses, or tuition reimbursement to a staff member employed in the Cooperative. The signing bonus, moving expenses, or tuition reimbursement may be paid either in one lump sum upon completion of the staff member's first year of employment in the Cooperative, or in installments over a period not to exceed three years from the date the staff member signed a contract of employment with the Cooperative, and upon the terms and conditions as may be mutually agreed upon by the Cooperative Board and the staff member. Any signing bonus, moving expenses, or tuition reimbursement authorized by the Cooperative Board is in addition to any amount payable under a negotiated contract. The Cooperative Board may negotiate any signing bonus, moving expenses, or tuition reimbursement payment with the staff member's designated collective bargaining representative.

EMPLOYEE CRIMINAL BACKGROUND CHECKS

Definitions

Authorized Persons: Individuals determined by the superintendent or designee to need access to or need to view criminal history record information in their official capacity with the cooperative.

Criminal History Record Information (CHRI): A criminal history of an individual obtained through the South Dakota Division of Criminal Investigation (SDDCI) and/or the Federal Bureau of Investigation (FBI) using the individual's fingerprints. CHRI includes information on the arrest, detention, complaint, indictment or former criminal charge of an individual as well as the disposition of any charges. The FBI rules differ from the DCI rules regarding the disclosure of criminal history record information.

Criminal Justice Information Services (CJIS): The FBI's Criminal Justice Information Services Division, or CJIS, provides a range of state-of-the-art tools and services to law enforcement, national security and intelligence community partners, and the general public. Its purpose is to equip law enforcement, national security, and intelligence community partners with the criminal justice information needed to protect the United States and the public. The CJIS Division was established in 1992 to serve as the focal point and central repository for criminal justice information services in the FBI. It is the largest division in the FBI.

Local Agency Security Officer (LASO): liaison with SDDCI to ensure the agency is in compliance with security procedures. The LASO shall (1) maintain a list of users who have access to CHRI, (2) identify and maintain a list of persons who are authorized to use the approved hardware, software and firmware to access CHRI and ensure no unauthorized individuals have access to this technology, (3) identify and document how the equipment is connected to the state system, (4) ensure that personnel security screening procedures are being followed, (5) ensure that approved and appropriate security measures are in place and working as expected, (6) promptly notify the SDDCI of any security incidents, and (7) support any cooperative security audits.

Noncriminal Agency Coordinator (NAC): primary contact person for the cooperative who serves as the liaison between the cooperative and SD Division of Criminal Investigation, responsible for notifying SDDCI when a new employee starts or an employee leaves so SDDCI can keep CJIS Security training records current and such other duties as required.

Point of Contact (POC): Cooperative's contact person when SDDCI sends out Audit information, the contact person when an onsite Audit is scheduled.

Security Incident: An act of violating an explicit or implied security policy regarding CHRI including, but not limited to (1) attempts (either failed or successful) to gain unauthorized access to a system or its data, (2) unwanted disruption or denial of service, (3) the unauthorized use of a system for the processing or storage of data, and (4) changes to system hardware, firmware or software characteristics without the cooperative's knowledge, instruction or consent.

Policy Statement

The Cooperative is committed to providing a safe learning and working environment. The Cooperative will require each person over eighteen years of age hired by the cooperative, or who is a volunteer two or more times during the school year, to submit to a criminal background investigation, by means of fingerprint checks by the Division of Criminal Investigation and the Federal Bureau of Investigation. Also, any person who is employed by an entity which provides the Cooperative with student services shall be required to submit to a criminal background investigation. The cooperative and its employees, officers and agents will only obtain CHRI when authorized by law and will only use CHRI, or the personally identifiable information first obtained by the cooperative in CHRI, for the purposes of determining whether a person should be employed by the cooperative.

In accordance with law and to protect the cooperative's students, criminal background checks on persons who are employed in the cooperative, who volunteer two or more times during the school year, or are employed by an entity which provides the Cooperative with student services shall be required. Examples of non-school entities which provide student services include but are not limited to food service and bus service contractors. The criminal background investigation shall be done by means of fingerprint checks by the Division of Criminal Investigation. If no disqualifying record is identified at the state level, the fingerprints shall be forwarded by the Division of Criminal Investigation to the Federal Bureau of Investigation for a national criminal history record check. The cooperative and cooperative employees will comply with state and federal law, rules, procedures and policies regarding the receipt, use and dissemination of criminal history record information of any individual.

Designations

1. The Director, as the Agency Representative, is responsible for signing the SD Division of Criminal Investigation (SDDCI) User Agreement on behalf of the Cooperative.
2. The Director or Business Manager shall be the Cooperative's Point of Contact(POC) and Noncriminal Agency Coordinator (NAC) to act as the primary contact person for the Cooperative, shall serve as the liaison between the Cooperative and SD Division of Criminal Investigation, and will fulfill all responsibilities of the POC/NAC, including but not limited to being the contact person when SDDCI sends out Audit information, shall be the contact person when an onsite Audit is scheduled, and responsible for notifying SDDCI when a new employee starts or an employee leaves so SDDCI can keep CJIS Security training records current.
3. The Director or Business Manager is designated to be the Local Agency Security Officer (LASO) to act as liaison with SDDCI to ensure the agency is in compliance with security procedures. The LASO shall be knowledgeable in CHRI, policies and mandated rules and regulations as well as knowledge of IT security procedures. The LASO shall actively represent the Cooperative in all matters pertaining to information security, dissemination of information security alerts and other material within the Cooperative, and responsible for contacting SDDCI if there has been misuse of CHRI.

Criminal Background Checks

1. Each person over eighteen years of age hired by the cooperative, who is a volunteer two or more times during the school year, or is employed by an entity which provides the Cooperative with student services shall be required to submit to a criminal background investigation.
2. The cooperative shall submit completed fingerprint cards to the Division of Criminal Investigation before the prospective new employee or volunteer enters into service.
3. If no disqualifying record is identified at the state level, the fingerprints shall be forwarded by the Division of Criminal Investigation to the Federal Bureau of Investigation for a national criminal history record check.
4. The Cooperative shall pay any fees charged for the cost of fingerprinting or the criminal background investigation for any person whose employment with the Cooperative or status as a volunteer is subject to the requirements of this section.
5. Any person whose employment or status as a volunteer is subject to the requirements of this section may enter into service on a temporary basis pending receipt of results of the criminal background investigation. The Cooperative may, without liability, withdraw its offer of employment or terminate the temporary employment or status as a volunteer without notice if the report reveals a disqualifying record.
6. A Cooperative employee who is employed simultaneously with another cooperative or school is only required to obtain one criminal background investigation, if the background investigation was conducted less than five years before the person was first employed by the Cooperative.
7. No person may be employed by the Cooperative, either directly or by contract, and no person employed by a contract provider and who would have direct student responsibilities may provide direct student services, if the person has been convicted of a crime of violence (murder, manslaughter, rape, aggravated assault, riot, robbery, burglary in the first degree, arson, kidnapping, felony sexual contact, felony child abuse, or any other felony in the commission of which the perpetrator used force, or was armed with a dangerous weapon, or used any explosive or destructive device), sex crimes (including but are not limited to, rape, felony sexual contact with a minor under sixteen, sexual contact with a person incapable of consenting, possessing, manufacturing, or distributing child pornography, and sexual exploitation of a minor), or distribution or trafficking in controlled substances or distribution of marijuana.

"Moral turpitude" is defined "an act done contrary to justice, honesty, principle, or good morals, as well as an act of baseness, vileness, or depravity in the private and social duties which a person owes to his fellow man or to society in general.

- b. The Cooperative may consider any criminal conviction in making a hiring decision. The Cooperative has the sole and absolute discretion to determine whether the results of a criminal background investigation disqualify a person from employment within the Cooperative.
 - c. For purposes of this policy, the term conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere (no contest) in this state or any other state.
8. The Cooperative's employment application form shall inform applicants that if no SD statutorily disqualifying conviction is identified at the state level the fingerprints will be forwarded by the S.D. Division of Criminal Investigation to the Federal Bureau of Investigation for a national criminal history record check.
9. The application form shall also inform applicants that if the applicant believes the criminal background result is incorrect or incomplete in any respect and the applicant wishes changes, corrections or updating of the alleged deficiency, the applicant should make application directly to the agency which contributed the questioned information or direct the applicant's challenge as to the accuracy or completeness of any entry on the applicant's [record](#) to the FBI, Criminal Justice Information Services (CJIS) Division, ATTN: SCU, Mod. D-2, 1000 Custer Hollow Road, Clarksburg, WV 26306.
10. Should an applicant be disqualified from employment due to the results of a criminal background check, the Cooperative shall inform the applicant that the criminal background check results prohibit the Cooperative from employing the person. The Cooperative will not delay the employment hiring decision solely because the applicant seeks to correct his or her FBI criminal history record information (CHRI).
11. Before a person's conditional employment is terminated as a result of the person's CHRI, the Cooperative shall inform the person whose conditional employment is subject to termination that the criminal background report reveals a conviction which prohibits the Cooperative from employing the person, and inform the person of his or her right to appeal the accuracy or completeness of the CHRI to the SDDCI or FBI. Employees shall be afforded procedural due process consistent with their employment status (i.e., whether the person is an employee-at-will, a school-year employee, or a ten month or twelve month employee) should termination of conditional employment be a possibility following the Cooperative's receipt of the CHRI.
12. All employees and other persons required to submit to a criminal background check pursuant to this policy must notify the cooperative in writing if they are convicted of any offense of domestic violence, child abuse, sex offense, drug (including marijuana) or any felony offense. This notification must be made as soon as possible, but no later than five business days after the event.
13. The Cooperative reserves the right to require any employee or volunteer to submit to additional criminal background checks at the cooperative's expense. The cooperative reserves the right to require any employee of an entity which provides the Cooperative with student services to submit to additional criminal background checks which shall be at the entity's or person's expense.
14. As required by state law, SDCL 13-10-15, if, as the result of a criminal conviction the cooperative board suspends an employee without pay, or an employee resigns, or an employee is terminated, the superintendent shall within ten days of the date of the suspension or the date the employment is severed report the circumstances and the name of the employee to the S.D. Department of Education.

Training

The Cooperative will ensure that all employees who have access to CHRI shall be trained by SDDCI on the rules and responsibilities for the confidentiality, receipt, use and dissemination of the CHRI.

Confidentiality

1. Before requesting CHRI on any individual, the cooperative will give the individual written notification that his or her fingerprints will be used to obtain the CHRI of the individual, and the cooperative will provide the individual a copy of the statement "Noncriminal Justice Applicant's Privacy Rights." Exhibit GCDB-E(1).

2. Information received by the cooperative pursuant to a criminal background check is confidential. Only authorized persons within the cooperative may access, view or use CHRI. Authorized persons may not share or otherwise disclose information contained in CHRI to unauthorized persons unless explicitly allowed for in this procedure.
3. Unless otherwise allowed by law, the Cooperative will only use this information for the cooperative's internal purposes in determining the suitability of an applicant, employee, or other worker on cooperative property. The cooperative will note in an employee's or applicant's personnel file that the background check was completed and if the person was disqualified by the CHRI for employment or assignment. The Cooperative will keep the CHRI in a separate file in a location that is only accessible to persons who need to know the information to carry out their responsibilities with the Cooperative.
4. Individuals that have access to CHRI will receive CJIS security training provided by SD DCI. Once the individual has completed the CJIS online training and has taken the test each individual will receive and acknowledge in writing the receipt of the following:(1) User Rules of Behavior Acknowledgement form, (2) CHRI Disciplinary Policy, and (3) Acknowledgment Statement of Misuse. The Cooperative will keep a copy of the signed documents in each individual's personnel file.

Access and Retention

1. The Cooperative may print or electronically share records when necessary to determine whether the person is authorized to work for the cooperative. In those situations, the physical or electronic copy will be destroyed immediately after the decision is made.
2. If the Cooperative runs a background check on employees of a contractor that does business with the cooperative, the cooperative will not provide the CHRI to the contractor. Instead, the cooperative will provide a clearance letter notifying the contractor whether the employee is cleared to provide services in the cooperative.
3. The Cooperative will not disseminate CHRI across state lines.
4. Upon request the cooperative will provide a copy of the SDDCI CHRI to the person who is the subject of the background check. The SDDCI CHRI will only be released to the individual and not to relatives, spouses or friends. The Cooperative will note in the dissemination log that a copy was provided to the individual.
5. FBI rules prohibit the Cooperative from providing a copy of the FBI CHRI to the person who is the subject of the criminal background check.
6. The results of the background investigation done by the Cooperative shall be transferred to another South Dakota public school or cooperative if the other public school or cooperative, or current Cooperative employee, submits a written request to the Cooperative that the results be transferred to the other public school or cooperative. The Cooperative employee who was the subject of the criminal background investigation must sign a written release authorizing the transfer. The information will be sent by U.S. Mail or encrypted email.

6. date of release of criminal background check results;
7. description of the record that was shared;

8. how the record was sent or received
9. person to whom criminal background check results were disseminated;

The Secondary Dissemination Log shall be maintained until the onsite audit is complete and the Cooperative receives from the SD Division of Criminal Investigation written notice of a successful Policy Compliance Review, unless the log is needed or required for other purposes

Security

The cooperative will provide for the security of any CHRI received, including the appropriate administrative, technical and physical safeguards to provide for the security and confidentiality of the information. This includes, but is not limited to, the following:

1. The LASO shall maintain a list of cooperative authorized persons who have access to CHRI.
2. In those cases when the Cooperative has physical copies of CHRI, the Cooperative will restrict access to authorized persons only. Physical copies of CHRI, if any, will be maintained in a controlled, secure environment, such as a locked cabinet in a room that is free from public or unauthorized access. The room or the locked cabinet will include an "Authorized Personnel Only" sign.
3. The Cooperative will not maintain electronic copies of CHRI.
4. CHRI will not be relocated, transmitted or transported outside a secure location unless encrypted according to FBI standards or transported in a locked container or in folders where the information is not visible to the public.
5. The Cooperative will dispose of records securely. Physical records will be cross-shredded or incinerated. If the cooperative contracts out for record destruction, the destruction must be supervised. The Cooperative shall notify SDDCI of the entity with whom the Cooperative contracts for records destruction and must receive SDDCI approval to use the contractor for purposes of disposing of CHRI. Electronic records will be deleted and overwritten as required by the SDDCI or FBI.
6. The Cooperative will not provide auditors access to CHRI unless the auditor is authorized by the SDDCI or the FBI.

Security Incident Response Plan

All Cooperative employees will immediately report to the LASO information security incidents such as the theft or loss of physical records or the hacking or failure of electronic systems or suspicions that an incident has or will take place. The LASO will document receipt of all reports, investigate incidents and report incidents to SDDCI. LASO documentation will include (1) date of security incident, (2) location of security incident, (3) systems affected, (4) method of detection, (5) nature of security incident, (6) description of security incident, (7) actions taken/resolution, (8) current date, and (9) contact information for LASO.

Consequences

Employees who fail to keep background check results confidential or fail to follow this policy or any laws or rules regarding the access, receipt, use or dissemination of CHRI as required by law will be subject to disciplinary action up to and including termination. Unauthorized requests, receipts, release, interception, dissemination or discussion of CHRI may also result in criminal prosecution.

**CRIMINAL BACKGROUND CHECKS
NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS**

As an applicant who is the subject of a national (FBI) fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment), you have certain rights which are discussed below.

- You must be provided written notification (1) that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared. (2)
- If the FBI criminal background check reveals that you have a criminal history record, the officials making a determination of your suitability for the employment must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.(3)

FBI rules prohibit the cooperative from providing you a copy of the FBI record. You may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks>.

If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. STAFF EVALUATIONS

In order to assure a high quality of professional staff members and administrator performance to advance the program of the Core Educational Cooperative, a continuous program for professional staff members and administration evaluation shall be established by director and regular reports shall be made to the Governing Board concerning the outcomes of these evaluations.

Professional staff members and administrators new to the Core Educational Cooperative will be observed with feedback at least once each semester during the first two years of employment and at least once every year thereafter. Members districts will be asked for input concerning individuals providing service within their district. A formal evaluation will be completed and discussed with employees their first year of employment and then on a biennial basis. The Director will compile those results and submit a final document to be reviewed with the staff member.

Evaluations should provide positive feedback to professional staff members and administrators. Strengths, as well as areas needing improvement will be noted.

The evaluation process will include:

1. An ongoing review of the techniques and procedures for making evaluations. New techniques and procedures that would contribute to a professional's understanding of his strengths and weaknesses should be used.
2. Goals and objectives that are understood and agreed upon by the professional staff and the administration. The criteria should be built around the established educational philosophy, goals, objectives and educational program developed and accepted by the professional staff of the Core Educational Cooperative. Job specific criteria will be established within each job description for all professional employees.
3. Application of the information gained for the planning of staff development and in-service training activities, which are designed to improve instruction and increase professional staff member competence.

The evaluation process will include self-evaluation, supervisor initiated observations, input from member district administration and professional employee initiated observations.

The formal evaluations will be written and will be discussed by the evaluator and the professional employee or administrator. The discussions may either precede or follow the writing of the evaluation document. Copies of the written document will be signed and dated by both parties and incorporated into the personnel files of the professional employee or administrator. The signature of the professional employee or administrator does not indicate approval or disapproval of the evaluation, but that the evaluation has been read and discussed.

The written evaluation should be specific in terms of a person's strengths and weaknesses. Those areas where improvement is needed should be clearly set forth and recommendations for improvement should be made. Subsequent evaluations should address themselves to any improvement or to any continuing difficulty that is observed.

*** All professional employee's evaluation forms can be found in the Director's office and online at www.core.k12.sd.us.
